Pope John XXIII High School

Everett, Massachusetts

Class of 1972

At the sunrise of our high school day,
we came with eager
anticipation
to greet the challenge
of the beckoning morn!

Today — because of you, Pope John
High School,
we stand confident and
secure as
we salute the sunset
of this brief day
which has passed all too
quickly.

To this sunset — which will herald
an even greater sunrise
in our lives!

To you, our faculty, our friends —

who have shared with us
the riches of your experience,
the value of education,
your understanding and wisdom
and your unfailing concern
and
encouragement . . .

our sincere gratitude.

Sister M. Ursula
Principal

You came into our lives in the twilight hours of our high school day, and your presence among us has added warmth to the beauty of its sunset. Because of your constant giving of self, we have come to realize that your dedication is "your love made visible."

We came, searching, trying to grasp a dream; uniting against obstacles which threatened to frustrate that dream; endeavoring to discern meaning in ourselves and others.

We experienced new and lasting friendships, fond memories which will always have a place in our hearts.

So — here we are, looking ahead, ready to face the horizons of a new tomorrow.
